Feed recommendations according to fish size

Advance and Top

- Starter feeds that are proven to work well

Hercules Vital Plus

- Fry feeds that improve the immune systems of fish

Hercules Vital

- For when you want to ensure the good general condition of your fish in all conditions and maximise the results

Hercules Baltic and Hercules

- For when you want a low FCR and to maximise growth
- For when health-promoting additives are not required to maintain the general condition of the fish
- Choose Baltic Opti when you want to optimise the fatty acids in fish

Ova

- Top feed for broodstock and trout
